Re: New From Shore Lens Company

Dear Valued Shore Lens Customer:

We are excited to announce the launch of our upgraded Finished Poly line. We are now making available our new **Choice** FSV Poly Tintable and **Choice** FSV Poly AR lenses.

Listed below are the details on the availability. Please check with your LMS provider to ensure this have been loaded into your system.

All Shore barcodes are available online at www.shorelens247.com. If you have any questions, contact your Shore Lens Sales Representatives or Customer Service at 1-888-547-4802. Thank you for your continued support. We appreciate and value your business.

Upgraded Choice FSV Poly Tintable and Choice FSV Poly AR

Diameter	Material	PCAT
65/70	Choice Poly Tintable SRC	SEJ8
65/70	Choice Poly AR	SEJ9

We remain dedicated to offering you the products, designs and materials that you demand.

Sincerely,

Lee Pochter

Vice President, Shore Lens
